Testimonial

Our wedding at Ote Hall was perfect from start to finish. It was exactly how I wanted it – and, because the venue is exclusively yours for the day- everyone can relax and just enjoy the day. Thank you!

Planned to perfection at Great Ote Hall

The mix of ingredients that combine to create a successful event must always have a superb location at its heart. Great Ote Hall provides this in magnificent style. Along with an unusual provenance, unique surroundings, intriguing history, personal care and attention from owners who live on the premises – and a track record for insuring the happiness of both guests and hirers. Beautifully accessible by road, rail and air, licensed to perform wedding ceremonies with its own gardens, nooks and crannies, Great Ote Hall is perfect for events, formal and informal, that are designed to be memorable.

Ote Hall

A glorious location for your event

Ote Hall is the very opposite of formula-base big chain venues. We aim to completely revise your expectations of what can be delivered at a wedding, private party or corporate event.

The beautiful house stands in 400 acres of gentle Sussex countryside (20 mins from Gatwick and 15mins from Brighton) where you and your guests will enjoy spectacular views over the gardens. Your guests can relax and enjoy the atmosphere of the house that has been welcoming visitors for over 400 years.

As an independent venue we are happy either to advise and work with you on the arrangements, to help you find local companies to ensure that your event runs smoothly, or to take care of the entire event on your behalf. At Ote Hall, our goal is to ensure that you as hosts, and your guests, take away pleasurable and lasting memories of a wonderful time.

We have excellent contacts with local suppliers covering a range of services to make sure your event is a success: Marquee hire, caterers, photographers, florists and balloon decorators, gifts, transport, printers.
